EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the specification, page 4-5, the entire paragraph immediately following the heading "SUMMARY OF THE INVENTION" on page 4 and ending on page 5 has been deleted.

The above examiner's amendment is made to delete a paragraph requested to be deleted by applicant in the response filed 3/3/04, which was inadvertently not entered.

Drawings

2. The drawings filed on 9/13/00 are acceptable subject to correction of the informalities indicated on the attached "Notice of Draftsperson's Patent Drawing Review," PTO-948. In order to avoid abandonment of this application, correction is required in reply to the Office action.

The correction will not be held in abeyance.

Allowable Subject Matter

- 3. Claims 14-26 and 28-36 are allowed.
- 4. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to disclose processors coupled to outputs of the first and the second IF channels for demodulating and processing first and second IF signals that are passed to the channel outputs, the processors configured to process the first and the second IF signals simultaneously, as recited in claim 19. The prior art of record further fails to disclose a multi-

nd idae

Page 3

mode receiver as recited in claim 29, wherein the second IF channel comprises a limiter coupled to an output of the wideband IF filter, which is configured to reject potentially interfering signals by an amount sufficient to prevent the limiter from being captured by the interfering signals.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David B. Lugo whose telephone number is 571-272-3043. The examiner can normally be reached on M-F; 9:30-6.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Jay Patel can be reached on 571-272-2988. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
